

## Lineset Cover Cutter

### Application

The 230-CUTTER is designed to cut lineset covers used to protect linesets and insulations for HVAC applications.

### Advantages

The 230-CUTTER has a ratcheting cutting blade that makes cutting lineset covers easy and clean. It has cutting capacity for various duct sizes, ranging from 1.38"x1.18" up to 3.54"x2.55". It has a safety hook in the handle to close the cutter, it makes it easy to carry. It is applicable for 3" and 4" SpeediChannel ducts.

### Features

- Easy to open and close
- Cut clean with ratcheting blade
- Strong metal body and handle
- Safety hook to keep the blade closed
- Light weight and easy to carry
