

DISCONNECT/ELECTRIC WHIP COMBO

Pre-wired 60A Non-Fusible Disconnect 1/2" x 6' Electric Whip

The EDS-12-6NM is a pre-wired 60 AMP non-fusible disconnect already assembled with a 1/2" x 6' electrical whip. This combination disconnect and whip saves time on installations since they are already connected. This combination kit includes DiversiTech item # EDS-60U (disconnect) and item # 6-12-6NM (whip).
