

COP-CAP™ 

LOCKING FLARE CAP

*Prevents Unauthorized
Access to Refrigerant Lines*

Model VCC-4

DIVERSiTECH 

Contains 2 sets
with locking hex wrenches

COP-CAP™

LOCKING FLARE CAP

- Stops tampering with system
- Prevents refrigerant theft
- Prevents access to refrigerant for mis-use

INSTRUCTIONS:

1. Screw cap assembly onto fitting
2. Turn down set screw with wrench, locking collar to hex shoulder of fitting or to base of the fitting threads, so that cap cannot be unscrewed.
