WORK SMARTER

Innovative cleaning
products for maximum
HVAC system efficiency.

2020

www.speedclean.com

INNOVATION. EVERYDAY

We strive every day to deliver innovative solutions for your maintenance needs. Helping you get your job done faster, and easier is our main goal. If we're missing the mark, we want to hear about it.

TOP NOTCH ASSEMBLY

Our on-site production team works hard to ensure durable, high performance equipment is being delivered to our customers every time. Whether it's assembling each CoilJet by hand or testing the quality of our products—it's the little details that make the biggest difference.

EXCELLENT SUPPORT

From pre-sales questions to technical support regarding our products, our team is here to help. SpeedClean has your back with proven results; 100% guaranteed.

Dry Steam Coil and Surface Cleaner

NEW!

Coil/Surface Cleaning

Harness the power of steam!

**LOOSENS DIRT
AND REMOVES
GREASE AND GRIME**

The SC-VSC-7000 steam cleaner is your answer to cleaning dirty, greasy coils and other surfaces without harsh, damaging chemicals. It works excellent on air handlers, mini-splits, condensers, exhaust vents, oily commercial kitchen ducts and more. The power of steam combined with 65 psi pressure goes deep into coils, cracks, and crevices, lifting and removing stubborn dirt and soils. The small and portable unit is lightweight and comes complete with a hose and full accessory kit to clean even the toughest to reach areas. Take it anywhere on the job site. It also sanitizes surfaces killing bacteria, fungus, mold, mildew and other microorganisms on contact leaving coils and other surfaces clean and sparkling!

SPECS:

Part Number:	SC-VSC-7000
Dimensions (H x W x D):	13" x 13" x 19"
Steam Hose:	10'
Weight:	16.5 lbs
Steam flow regulation:	Manual
Output pressure:	65 PSI
Steam production:	0.43 gallon/hr
Boiler capacity:	0.7 gallons
Max temperature:	235 fahrenheit
Voltage:	13.5 AMPS, 115 V, 60Hz, AC, 1550 Watts

FEATURES:

- Easy-fill tank – Quick refills
- Stainless steel boiler – Quality construction
- 1500W power – High performance
- Full accessory kit – Cleans variety of surfaces

APPLICATIONS:

- Coil cleaning
- Exhaust hoods and fans
- Appliances and Surfaces

CoilJet® CJ-200E

Portable and Powerful Coil Cleaning.

CoilJet CJ-200E offers more pressure, continuous water supply and 110V convenience when compared to the fully portable and rechargeable CJ-125 model. It also offers up to 220 psi for cleaning thicker, dirtier coils. It's perfect for rooftop units, evaporators, condenser coils, and refrigeration coils.

Standard hose connector for continuous water supply.

Includes: 2 standard spray nozzles, spray gun with quick connect, 15' power cord, and shoulder strap.

Note: Supports all CoilJet® Accessories

SPECS:

Part Number:	CJ-200E
Output Pressure:	220 PSI at 0.5 GPM
Capacity (water):	3.375 gallons
Capacity (chemical):	1.75 quarts
Weight (dry):	20 lbs
U.S. Patents:	Pending

Visit www.speedclean.com for a complete list of accessories

CoilJet® CJ-125

No Water. No Power.
No Problem.

Coil Cleaning

Ideal for cleaning coils in locations where water and power may be inaccessible, such as rooftops and attics. CoilJet is designed for portability by including integrated water, and chemical tanks and a long life rechargeable battery. Clean condenser and evaporator coils anywhere.

Optional spray wand lets you clean coils from the inside out

Integrated water and chemical tank

Convenient strap for easy transport

125 PSI spray blasts dirt and grime but won't damage fins

Rechargeable battery lasts all day

For best results,
use with
SpeedyFoam®

SPECS:

Part Number:	CJ-125
Output Pressure:	125 PSI at 0.7 GPM
Capacity (water):	3.375 gallons
Capacity (chemical):	1.75 quarts
Weight (dry):	22 lbs
U.S. Patents:	Patent 9,266,152

Includes: 2 standard spray nozzles, spray gun with quick connect, smart charger, rechargeable battery, and shoulder strap.

Mini-Split Bib® Kit

Clean In-place Solution for Easy Servicing.

The fastest way to clean ductless mini split coils, fans, and more. Safely clean virtually any mini split system 30" to 44" the correct way—using pressurized water on coils and fans. This patented technology keeps water away from walls and other surroundings while directing it into the 5 gallon bucket for disposal.

SPECS:

Part Number:	MSB-KIT
Weight (dry):	4.3 lbs
Fits ductless fan units:	Up to 44" wide
U.S. Patents:	6,863,116, 9,259,769

FEATURES:

- Fully assembled, quick set-up and easy to move from job-to-job
- Includes 8' drain line for high mounted evaporators
- XL Bib fits virtually any commercial brand ductless fan unit 45" to 60" wide.
- Keeps walls and floors safe from water and over spray.

Mini-Split Bib® Kit-XL

Too Big? We have it covered.

The Mini Split Bib® Kit XL is a fast way to clean larger commercial ductless mini-split coils, blower wheels and more. The patented technology fits ductless units 45" to 60" and keeps water away from walls and other surroundings and directs it into the 5 gallon bucket for disposal, so it's clean and safe all around.

Complete kits include: Bib, adjustable mounting brackets, 1 roll of protective tape, 2 deflector plates (XL Kit includes 3) and 5 gallon bucket.

SPECS:

Part Number:	MSB-KIT-XL
Weight (dry):	4.5 lbs
Fits ductless fan units:	45" to 60" wide
U.S. Patents:	6,863,116, 9,259,769

Mini-Split Cassette Bib® Kit

Tough Cleaning Made Easy.

Cleaning ductless ceiling cassettes is a daunting task, but we've just made it a whole lot easier. Using pressurized water and coil cleaner is the key to a good coil cleaning. Our ductless cassette bib kit installs in seconds and quickly creates a funnel where all your water and cleaner is safely deposited into a bucket. Super easy to use and incredibly effective.

FEATURES:

- Six access points to clean coils
- Includes 10' drain line
- Optional stand available

SPECS:

Part Number:	SC-CB
Weight (dry):	4.5 lbs
Fits ductless cassette fan units:	Up to 48" wide
U.S. Patents:	6,863,116, 9,259,769

Complete kit includes: Cassette bib, adjustable bungee cord, mounting hooks and a five gallon bucket.

Cassette Bib
Stand*

FlowJet™

High Flow Cleaning with Chemical Injection.

Coil Cleaning

Make quick work of cleaning debris and grime from thick condenser and evaporator coils. Powerful 400 PSI at 2.5 gpm washes even the dirtiest coils with a continuous spray of water and cleaning chemical—without damaging sensitive fins. Professional results from a compact, portable solution.

Water hose connection for continuous cleaning

Chemical siphon tube

Includes: FlowJet, 2 standard spray nozzles, 12' hose, 25' power cord with GFCI protection, spray gun, and 18" lance assembly.

SPECS:

Part Number:	FLOWJET-60
Weight:	35 lbs (net dry)
Output Pressure:	400 PSI
Output Water Flow:	2.2 GPM
Input Power:	12.5 amps, 115 V, 60 Hz AC
Motor Power:	3/4 HP

FEATURES:

- Optional 90° spray nozzle forces dirt and debris back in the direction it entered
- 12' hose with additional lengths available

Clean
coils

SPECS:

Part Number:	SC-CS 100
Output Pressure:	Up to 70 PSI at 3 GPM
Weight (dry):	1 lb
U.S. Patent:	D750,333; 9,533,331

Includes: CoilShot, quick connect foaming nozzle, and one original formula tablet.

*Original formula only.

CoilShot® Condenser Coil Cleaning Tool

The Future of Coil Cleaning.

Tablet based system saves wasted coil cleaner and space over bulky coil cleaner bottles. One pack of tablets replaces an entire case of coil cleaner*. Use with CoilShot wand for best results – to help get behind coils for superior cleaning every time.

FEATURES:

- Attaches to standard garden hose
- Uses pre-measured, CoilShot® tablets
- Switches from foaming cleaner to water with easy mixing valve
- Quickly connect attachments

CoilShot®

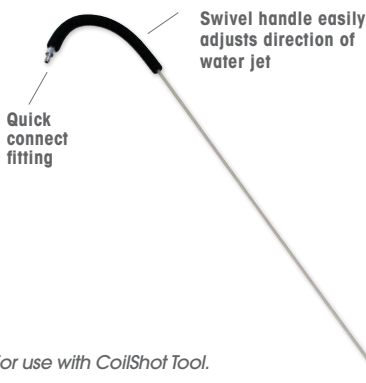

Use only with
genuine CoilShot®
Coil Cleaner Tablets

CoilShot® Condenser Coil Cleaning Wand

Increase Performance

3 ft. wand is specially designed to quickly connect to CoilShot cleaning tool. 90° nozzle creates powerful cleaning spray to clean coils from the inside out. The wand features a slim profile that fits between the grate so you don't have to remove the top fan and housing.

For use with CoilShot Tool.

SPECS:

Part Number:	SC-CS-WAND
Weight (dry):	1 lb

FEATURES:

- Quick connect fitting
- Heavy-duty aluminum wand
- Unique wand tip to backflush coils

Visit www.speedclean.com for a complete list of accessories

CoilShot® Coil Cleaner Tablets

Pre-measured Tablet eliminates guesswork.

SPECS:

Part Number:	SC-CS-TABS
Contents:	8 CoilShot tablets per 7 oz box
U.S. Patent:	D765,828 and other Patent Pending

The revolutionary CoilShot Cleaning Tablets are designed to offer fast and easy cleaning of residential and commercial single-pass HVAC coils without the strain and bulkiness of using liquid coil cleaners.

FEATURES:

- Each tablet is equal to approximately 1/2 gallon of coil cleaner*
- Eliminates the need for bulky liquid coil cleaners
- Safe for all coils and is plant friendly, non acidic and non-caustic*
- HD tablet degreases and brightens coils for heavy-duty applications
- HD tablet has powerful lift for extra-dirty condensers

**Original formula only.*

SPECS:

Part Number:	SC-CS-TABS-HD
Contents:	6 CoilShot tablets per 7 oz box
U.S. Patent:	D765,828 and other Patent Pending

Refer to SDS for proper usage and safety information prior to use.

Condenser Needle™

Precision Coil Cleaning.

Coil Cleaning

Adjustable chemical injection

Swivel handle easily adjusts direction of water jet

3' aluminum wand

90° nozzle creates powerful cleaning spray to clean coils from the inside out

Blast dirt and debris from condenser coils, without damaging delicate fins, using Condenser Needle. Designed to clean from the backside of the coil, Condenser Needle reaches inside units and quickly cleans the entire coil bed.

FEATURES:

- Attaches to a standard garden hose
- 36" wand easily handles most units
- Exclusive spray tip delivers 90° spray pattern up to 3+ gallons per minute
- Adjustable chemical injection hose

SPECS:

Part Number:	CN-03
Output Pressure:	Up to 100 PSI at 3.3 GPM
Dimensions (HxWxD):	48"x3"x3"
Weight:	3 lbs
U.S. Patent:	D624,718

For best results, use with **SpeedyFoam®**

Tube Cleaner

Small Size. Big Results.

Designed for the ultimate experience in portability, this compact tube cleaner includes all the innovative features you expect and the benefits you demand from a SpeedClean product. Integrated water flush, 860 RPM reversible shaft rotation, quick connect shaft and brushes and all at half the size of other traditional tube cleaners. That's big news.

Flexible shafts and brushes sold separately. See page 17.

Sturdy and compact, easy transport design

21' GFCI power cord

Nylon covered shaft with powerful water flush

SPECS:

Part Number:	SC-TC-60
Flexible Shaft Speed:	860 rpm
Weight:	38 lbs

FEATURES:

- Foot pedal compartment for easy storage
- Built-in electric cord holder
- Quick connect shaft to manifold and shaft to brush
- Available in 115v 50/60Hz or 230v 50/60Hz
- Portable, compact design
- Rugged/Durable outer shell

BucketDescaler®

Quick and Easy Water Heater Maintenance.

Descaling

Eliminate limescale and other deposits from water passages in just minutes. The BucketDescaler features a durable acid-proof pump and fittings, extra-long hoses, and optional re-circulation valve kit. Perfect for tankless and tanked water heaters and other small heat exchangers.

FEATURES:

- 6' inlet and outlet hoses
- Purge valve to reduce cleanup time

SPECS:

Part Number:	SC-DS-5
Cord Length:	12'
Flow:	3.3 GPM
Capacity:	4 gallons
Hose Size:	6' (two)
Weight:	7 lbs
U.S. Patent:	9,381,549

SpeedyFoam[®]

Deep Cleans Coils Quickly.

SPECS:

Part Number:	SC-FCC-1
Size:	1 gallon (available in 5 gal)
Concentrated::	Mix with water before use

Foaming, non-acid, non-fuming, and water soluble. SpeedyFoam cleaner and degreaser removes grime, oil, and grease from condenser and evaporator coils, mechanical equipment, and air filters. Non-caustic and safe for all metals, including aluminum.

SpeedyBright[®]

Safely Dissolve Limescale.

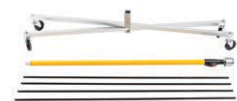

SPECS:

Part Number:	SPDYBRT-CS
Sizes:	2 x .5 gallons (also available 5 gallon pails and 55 gallon drums)
Concentrated:	Dilute based on application

Scientifically formulated to dissolve all types of limescale, rust, and calcium carbonate deposits from water passages and heating elements. SpeedyBright improves operating efficiency in tankless water heaters, gas/electric water heaters, and other water heating/heat exchange systems. Extend the usable life of cleaned equipment by quickly and safely removing energy robbing contaminants. Phosphoric acid based cleaner classified by UL to NSF/ANSI Standard 60.

CARRY A CASE OF COIL CLEANER IN YOUR POCKET?

Lugging around gallon jugs of liquid coil cleaner is a fact of life when cleaning coils, right?

It was...yesterday. But now, the CoilShot® condenser coil cleaner, with its small dissolving tablets, has replaced those bulky jugs. No more heavy lifting. No more clutter and mess in the back of your van.

Load a tablet into the CoilShot® unit, turn on the water and produce a powerful foaming coil cleaner that's non-toxic and plant-friendly. Use one or two tablets per job—no mess, no leftover, and no customer complaints to deal with.

Smaller, lighter and safer, CoilShot® is your best shot. Fire away.

Hit it with your best shot.
