We accept your order only on the following terms and conditions. Orders submitted on your own purchase order form may contain provisions which conflict or are inconsistent with the following terms and conditions, in which case your order is accepted only on the condition and with the express understanding that in the event of such conflict or inconsistency our liabilities will be determined only by the following terms and conditions. If these terms and conditions are unacceptable to you, please advise us at once. Your acceptance of our shipment of the goods ordered will be deemed to be acceptance subject to the following:

All goods are shipped at the buyer's risk. Notwithstanding the foregoing, the property in the said goods shall not pass to the purchaser until the agreed price has been paid in full to us, regardless of the manner in which the goods may be affixed to or used in connection with realty.

Minimum billing is \$50.00 net excluding transportation. Orders for special parts and/or quantities in response to our quotation are non-cancellable without our prior written permission and then only upon reimbursement for any loss or damage. Orders for special items are subject to shipment of 10% over or under quantity ordered.

Prices shown apply to quantities on a single shipment to a single destination. Goods & Services Tax and Provincial Sales Tax (if applicable) is extra. All prices are subject to change without notice and all shipments will be invoiced at prices in effect at time of shipment.

Our terms are net 30 days from date of invoice. All shipments are F.O.B. our warehouse, Pickering, Ontario. A service charge will be levied in past due invoices at the rate of 2% per month (24% Annum).

Claims for shortages in shipment must be made within 10 days of delivery. Damages in transit are the responsibility of the carrier and such claims should be filed with it not with us as our responsibility ends upon delivery of the goods to the carrier.

All products are guaranteed to be free of defects in workmanship and materials. We will repair, replace, or credit at invoice price, at our option, any products which, when used in accordance with our directions and recommendations, are found to contain such defects. We will not be responsible for consequential damages, howsoever caused. We neither assume nor authorize any other person to assume on our behalf any other obligations or liabilities in connection with the sale of our products, including liabilities arising out of negligence, and that of our agents, employees or representatives. There are no other warranties, representations or conditions, express or implied, statutory or otherwise, other than those contained herein. We will accept no claims under the above warranty after 12 months from the date of purchase from the wholesaler or by the original equipment manufacturer or 18 months from date of shipment by us, whichever date comes first. We will accept no warranty claims with respect to ATP Brand insulation products or instruments except within 90 days from the date of purchase of the same from the wholesaler. With respect to the products that are resold by Alltemp Products Company Ltd. without being altered or changed but simply handled or packaged, warranty claims will be accepted only on the terms and within the time periods specified by the manufacturers or suppliers thereof and the said products are specifically excluded from the above warranty. Proof of purchase bearing the date of purchase from the wholesaler must be furnished with all warranty claims. Repairs performed by us after these warranty periods have expired will be invoiced on a nominal basis.

Returns will not be accepted without our prior written permission. A re-stocking charge will be made in connection with accepted returns. All designs, specifications, and materials are subject to change without notice.

Credit terms are subject to our approval and we also reserve the right to change terms and establish credit limits from time to time.

Deliveries are subject to strikes, accidents, delays by suppliers and other causes beyond our control and will excuse us from any delay in filling orders.

Any provision hereof which is contrary to law will not invalidate any other provision hereof and any provision required to be included in a contract of this type by applicable law is deemed to be incorporated herein.

This contract is to be construed according to the laws of the Province of Ontario and no action to enforce the same shall be commenced except in the courts of Ontario.
